

Notice to Gem Show Dealers: Licensing Changes

The Dealers-Trade show fee for each location, each dealer remains at \$28.00. However, in anticipation of the additional costs associated with the State of Arizona's new tax simplification law, Tucson's Mayor and Council established an **annual** municipal tax license fee of \$20.00 to be charged beginning in 2015 to businesses subject to transaction privilege tax requirements.

Dealers/Vendors will pay \$48.00 and submit a City of Tucson municipal tax license application. A sales tax return will be issued to remit city sales taxes due on taxable revenues received during the show.

The new municipal tax license is an annual fee. Dealers/Vendors who paid the combined \$48 license fee at the February show will only pay the \$28 dealer/trade license fee at the September show.
